Waarom hebben getalenteerde mensen vaak moeite om hun doelen te bereiken terwijl minder begaafde individuen soms zonder slag of stoot verbazingwekkende prestaties leveren? Op basis van haar eigen verhaal als dochter van een wetenschapper die zich vaak beklaagde over haar vermeende gebrek aan intelligentie, beschrijft Angela Duckworth haar loopbaan door het onderwijs, de consultancybusiness en de neurowetenschap. Het leidde tot de hypothese dat werkelijk succes vooral ontstaat door een speciale mix van volledige overgave en de vastberadenheid om te werken aan je langetermijndoelen: grit. In dit boek doet Duckworth, winnaar van de prestigieuze MacArthur Genius Award, haar theorie uit de doeken en helpt ze iedereen om aan de hand van zes kernwaarden hun eigen grit-factor te bepalen: hoop, inspanning, precisie, passie, rituelen en prioriteiten. Grit gaat voorbij aan cliché's als 'succes is vooral hard werken' en biedt een frisse en motiverende manier om zelf ongekende resultaten te behalen.

The book Hitting the Goal is to help individuals achieve their goals and not feel like victims. Finding the right path towards success is everyone's dream. But in life's travel, there are so many things we need to consider to be able to achieve all our goals.

There are many questions the hows, the whys, the wheres, and many more that sometimes confuse and impede us to see and walk the perfect road to success.

The Secrets of Success There would be no success without failure, because success does not happen overnight. There is so much work and so many steps that need to be taken in order to become successful in any area of our lives. The important is to be aware all the time. The journey to success will be always impregnated with risks, decisions to make, ideas to put into action, setbacks, unexpected obstacles and even sabotage from other people or yourself. When we see the danger ahead and we are not prepared to face the failure, we might end up self-sabotaging our own careers or relationships or goals just to avoid the disappointment. That is a mechanism of coping with failure that means avoiding failure and preventing it to happen by staying away from the risks. It means playing it safe. It means fear.

Are you looking for a road map that will reveal all the steps that you need to immigrate to another country? Make the decision to immigrate to the land of your dreams! Would you like to discover your mission on this planet and tap into ABUNDANCE, and become wealthier, happier, and healthier? If you are considering moving to a new place, you need to know how to overcome various challenges, including a language barrier, but there is so much more to be considered! Linda shares with you all her personal experiences to help you overcome fear and become successful in your new country. How to Become a Successful Immigrant will teach you how to settle into your new country, how to achieve success, and how to fulfill your purpose!

This book is written for you, a young individual who wishes to be prepared to face the challenges that life has to offer. Is this yet another book of dry, sterile, sweet-sounding advice? No. Instead, it offers a step-by-step road map plus strategies on how you may plan your future and achieve your goals. It deals with some of the obstacles that you might encounter in your quest, such as: fear, despair, uncertainty, and indecisiveness. The text is presented in an easy-to-read format as opposed to a compilation of technical and tiresome advice and with the many worksheets that are included, assists you to form your own plans, ranging from higher education to career planning. Moreover, it helps you to develop a self-vision, to see yourself in the future and to become familiar and comfortable with that vision. The author's objective is to inspire you to find value and meaning in your life, and to strive to become a fulfilled individual. Excerpts: " it is often not the lack of talent that hinders your progress, but rather the inability to properly harvest the talents that you possess." " a risk-averting approach to life, just to avoid failure, would result in the biggest failure of all-an unfulfilled life."

Eckhart Tolles De kracht van het Nu, h é t spirituele boek van het afgelopen decennium, nodigt je uit je over te geven aan het Nu. Bevrijd jezelf van je constante denken! Tolle's praktische en mystieke boodschap reikt ons transcendente waarheden aan die ons vrij maken. Om de weg te gaan die wordt beschreven in De kracht van het Nu dien je de identificatie met je analytische geest en het daardoor gecreëerde onechte zelf, het ego, te laten varen. We zijn ons denken niet. We kunnen onszelf van psychische pijn verlossen. Je authentieke kracht wordt pas gemobiliseerd door je over te geven aan het Nu. Hier vinden we vreugde en zijn we in staat ons ware zelf te omarmen. Daar komen we er ook achter dat we al 'heel' en 'volmaakt' zijn. Velen zullen tijdens het lezen van dit boek vaststellen dat de grootste blokkades om in het Nu te komen onze relaties zijn, dat wil zeggen de manier waarop we in onze relaties staan. Relaties kunnen echter ook een toegang zijn om tot verlichting te komen, mits we ze wijs benutten zodat ze bijdragen aan onze bewustwording en we daardoor in staat zijn meer liefde te geven. Als we volledig aanwezig kunnen zijn en iedere stap in het Nu kunnen zetten, kunnen we de werkelijkheid ervaren van zaken als 'overgave', 'vergeving' en 'het onnoembare'. Zo kunnen we onszelf openstellen voor de transformerende ervaring van De kracht van het Nu.

Sobriety isn't a destination, it's an ongoing journey, one with which J.P. Willson is all too familiar. In How to Become a Successful (recovering) Alcoholic, Willson is eager to offer whatever insights he can for those embarking on the same road. This memoir examines how his addiction contributed to and informed some of the choices and behaviours that ultimately led him to Vancouver's Downtown East Side. Make no mistake, however; though it contains its fair share of hard truths and regrets, this is not a sob story and does not wallow in what might have been. Instead this is a story of success and redemption through hard work. His first book, Through the Mind's Eye: A Journey of Self-Discovery, was about getting sober. This book is about something much harder: staying there. Written while working as a chef at the Salvation Army Harbour Light Addiction and Recovery Rehabilitation Centre, it is a testament both to what is possible with the right mindset—and what is all too probable without it.

Minstens een derde van de mensen die we kennen is introvert. Dat zijn diegenen die de voorkeur geven aan luisteren boven praten; die nieuwe dingen uitvinden en creëren maar liever niet hun eigen ideeën pitchen. Introverte mensen hebben een concurrentiemaatschappij waarin extravertisie als de norm beschouwd wordt. Stil behelst een vurig pleidooi vóór introversie, gebaseerd op grondig onderzoek en uit het leven gegrepen verhalen van echte mensen onder wie de auteur zelf. Laat zien hoe introverten in onze maatschappij stelselmatig onderschat worden en toont haarscherp de voordelen aan van stil zijn in een wereld vol lawaai.

Everything you need to know to succeed in today's fastest growing sector of the consulting market. Jim Ainsworth is an extremely successful financial planning professional with more than 30 years in the business. In How to Become a Successful Consultant, he tells you everything you need to know to move into financial consulting. He familiarizes you with all the types of planning that financial consultants deal with, as well as the various investment vehicles. And, based on his own experience, he shows you how to succeed in today's fastest growing sector of the consulting market. He supplies you with a proven blueprint for success. You get expert advice, guidance, and insiders' tips on how to: \* Get the education, experience, and licensing you need to become a financial consultant (and whether you need to). \* Develop a surefire success plan. \* Set up a practice and attract clients. \* Network, market, and sell your services. \* Set fees and collect other forms of compensation for your services. \* Avoid the 10 most common mistakes that beginners make. \* Get the most out of meetings and professional conferences. Written by Jim Ainsworth, a financial planning professional with 30 years in the business, this valuable guide provides professionals interested in moving into financial consulting with everything they need to know to make a living investing other people's money. Drawing on his personal experiences and those of colleagues across North America, Ainsworth covers all the bases. He begins by describing the major groups of financial planners and these seven different styles of asset management and helps you to decide which is right for you. You find out all about the various types of financial planning that most consultants deal with--including retirement planning, and family financial planning--and the best investment vehicles currently available. Ainsworth then cuts to the chase and provides the nuts-and-bolts information you need to make it as a financial adviser. Writing in a down-to-earth style, he tells you what type of education and experience you need to become an effective financial consultant, how to become licensed, how to get started in business, how to set fees and receive compensation, how to market your services and promote your financial instruments, and much more. He shows you how to develop a surefire success plan, and he supplies expert advice and guidance on how to avoid the top 10 beginners' mistakes. Throughout this book, Ainsworth advocates taking a holistic approach to financial planning--one that takes into consideration not just people's differing needs, but their contrasting attitudes about money and investments. To that end, he provides insightful profiles of the different types of "money personalities" in the market, and shows you how to identify and successfully work with each type. How to Become a Successful Financial Consultant is your complete guide to making it in today's fastest growing sector of the consulting market.

In 1983, then Arizona Gov. Bruce Babbitt requested Mary Lou to give a speech to his executive staff due to her successful career. After she addressed the staff at an informal gathering, she thought that was the end of it when actually, it was just the beginning. The members of the executive she spoke with that afternoon began calling and stopping by her office to find out more and to see if she would mentor them. After a few days, Mary Lou's secretary came to her to tell her that she was the pace of her work and counseling everyone. That is when Mary Lou decided to write this book. Eventually, she presented the book to publishers who liked the content, but wanted something more-- the story behind Career Courage. And it was quick, but foundational read for those who want to succeed.

This book actually celebrates the integration of motivational theories, success theories, and wisdom/understanding theories. It is a step-by-step approach on how to start and manage your business, how to plan and budget for your family, how to be successful as a person. The last chapter contains quotes created by the author that cover all spectrums of life. The book is meant to help you upgrade yourself, upgrade family resources, and upgrade your business. The work is very encouraging and uplifting. It gives insight into problem-solving resources that actually exist, but have been overlooked or taken for granted. It did more than tell one to mow the lawn, for example, without giving the resources like lawn mower or grass cutters. It shows one how to develop enough personal power and eliminate self-defeating methods of growth and doing business. The fine analysis of the spiritual and the natural settings will compel you to recharge your self-confidence, and boost your self-esteem level. Furthermore, this book persuades you to take a hard look at what "success" really means to you and encourages you to motivate your efforts toward reaching a realistic goal. You will develop new strategies for "success", build an unshakable self-confidence, and elevate your problem-solving and decision-making skills. You will learn how to shape your management style to fit a particular problem that you want to solve, and not basing your approach on some sort of assumed or specified circumstances. As a matter of fact, the best in you will come out and manifests itself by you new improvements, new ways of thinking, and new ways of doing things. More importantly, the book reminds you, through series of analogical parables, that success without wisdom from God in your life is like a water tank with an invisible leak. When you wake up in the morning, the water in your tank is gone and you cannot tell how or why.

Influencer marketing is a new digital marketing strategy that consists of achieving a series of collaborative links between brands and companies and those people with high visibility and prominence on the Internet, known as 'influencers.'
